

Beginning of the game:

2505: Humanity starts mission to explore space. Autonomous research ships are sent into space, all equipped with an Explorer robot, called CORG-E. These robots are shot onto a planet's surface, with the sole purpose to explore the planet and gather as much data, as possible.

A planet, somewhere in space. A spaceship comes into view. On its hull, the letters M.A.M. are visible. With a loud BANG, a small pod is shot from the ships belly. It races towards the planet and disappears into its atmosphere.

On the planet's surface, a few alien creature seem to live together in a village. Suddenly a loud BOOM shakes the village and its residents. Not far from the village, the pod has crashed into field. As the pod opens, a small robot drives out of a hatch on its tracks. An antenna extends from its back.

M.A.M.

"This is the Mobile Autonomous Mothership. CORG-E Unit 01 - do you copy?"

CORG-E
"Bleep"

M.A.M.

"Received. Proceed with exploration. Scanners indicate a settlement nearby. Over."

Press Enter / A on your controller to respond

CORG-E
"Bleep."

As the antenna retreats, the player takes control of the CORG-E.

Player meets alien for the first time:

The CORG-E enters the village. A bunch of small houses are built around a totem pole consisting of four different heads stacked on top of each other, resting on a bigger, round base. Four villagers are out in the open: NUJO, MOGO, LANDOR and PLOYXIS. If the player approaches MOGO or LANDOR, they both only answer with a depressed sigh. If NUJO is approached:

NUJO

Just a string of random characters

Your sensors indicate, that this lifeforms is trying to communicate. You're translator is trying its best, but this is an alien language.

NUJO

“*random characters* Help *random characters* holy runes *random characters* totem heads
random lost spirit!”

Press Enter / A on your controller to respond.

CORG-E

“Bleep.”

NUJO walks over to the totem pole. CORG-E follows her.

NUJO

“*random* holy totems. *random* make our spirit with sound. *random* need holy runes. Lost
and scattered *random* our land. *random* help find them, please!”

CORG-E

“Bleep!”

The antenna on the robots back extends again.

M.A.M.

“CORG-E unit. Status report.”

CORG-E

“Bleep. Bleep. Bloop. Bleep?”

M.A.M.

“Positive. These artifacts may hold invaluable data. Proceed with assisting indigenous
lifeforms.”

CORG-E

“Bleep.”

The Antenna retreats again.

Player finds first gem

The robot's antenna extends.

M.A.M.

"Artifact acquired. Return to village."

Press Enter / A on your controller to interact.

CORG-E

"Bleep."

The robot's antenna retracts.

Player returns first gem

As CORG-E arrives in the village, NUJO, MOGO, LANDOR and PLOYXIS stand by their totems. If the player approaches MOGO, LANDOR or PLOYXIS, they let out a disappointed sigh. If the player approaches NUJO, the Gem flies into NUJO's totem, which in return opens its eyes and begins singing. NUJO expresses her happiness by singing and dancing around her totem.

The robot's antenna expands.

M.A.M.

"Anomaly detected. Measurements inconsistent. More data necessary. Updated mission objective: Find more artifacts."

Press Enter / A on your controller to respond

CORG-E
"Bleep."

The robot's antenna retreats.

Player returns the last gem to the village

The village is a lively place! More torches than ever light up the huts, while the villagers dance around their singing totems. Only PLOYXIS' totem has yet to sing. As CORG-E comes near PLOYXIS, the gem flies off into the totem. The totem's eyes shoot open, as it starts to sing its melody. PLOYXIS starts cheering and dancing around his totem, almost in unison with the rest of his village. As the music comes to a climax, the robot's antenna expands.

M.A.M.

"Mission accomplished. Well done. Continue exploration as ordered."

Press Enter / A on your controller to respond

CORG-E

"Bleep."

As the robot's antenna retreats, he starts driving off screen. Just before he gets out of sight, he stops and looks back at the villagers celebrating. NUJO comes over to CORG-E and invites him to the party. Together they go back to the village.
